

We belong

Pat Benetar

Many times I've tried to tell you, Many times I've cried alone
Always I'm surprised how well you, Cut my feelings to the bone
Don't want to leave you really, I've invested too much time
To give you up that easy, To the doubts that complicate your mind

Chorus:

We Belong to the light, We Belong to the thunder

We Belong to the sound of the words, We've both fallen under

Whatever we deny or embrace, **For worse or for better**

We Belong, We Belong, We Belong together (alto seulement)

Maybe it's a sign of weakness, When I don't know what to say
Maybe I just wouldn't know, What to do with my strength anyway
Have we become a habit, Do we distort the facts
Now there's no looking forward, Now there's no turning back
When you say

(Chorus)

Close your eyes and try to sleep now, **Close your eyes and try to dream (alto)**

Clear your mind and do your best, To try and wash the palette clean

We can't begin to know it, **How much we really care (alto)**

I hear your voice inside me, I see your face everywhere

Still you say(soprano et alto)

(Chorus)

+

(Chorus special pour soprano)

We belong to the light, to the thunder

We belong to the sound of the words
